

## Citrus – Dishwasher Rinse Aid

A sanitising rinse aid concentrate for dishwashing machines.

- Leaves all items sparkling with a streak and spot free finish.
- Delivers superior economy - controlled viscosity slows flow rate into the rinse cycle to eliminate overuse.
- Contains herbal extracts of Bergamot and Lemon Thyme to provide natural sanitising and soil dispersion.
- Concentrated formula outlasts many supermarket equivalents and reduces landfill potential.

FEATURES	BENEFITS
Sheets water from crockery, cutlery and other utensils	<ol style="list-style-type: none"> <li>1. Gives a quick dry, streak-free finish</li> <li>2. Leaves no water spotting</li> </ol>
