

## Ultra – Cream Cleanser

A high performance, gentle cream cleanser that requires no hard scrubbing.

- Soft mineral spheres gently lift away contaminations without scratching the surface.
- Cleans and destains vitreous enamel, ceramic tiles, stainless steel, porcelain, aluminium, brass and copper.
- Ideal for use on kitchen surfaces, sinks, and fixtures.
- Phosphate, ammonium and chlorine free - unlike ordinary cream cleansers.
- Essential oils of Thyme and Spearmint provide natural sanitising, and a long lasting fresh, clean fragrance.

FEATURES	BENEFITS
No harsh ingredients	<ol style="list-style-type: none"> <li>1. No phosphates, ammonium or chlorinating compounds</li> <li>2. Does no damage to surfaces</li> <li>3. Safe and gentle to use</li> </ol>
Contains natural carbonate minerals	<ol style="list-style-type: none"> <li>1. Micro granules gently lift contaminations without scratching the surface.</li> <li>2. Safe to use on enamel, ceramic, porcelain, stainless steel, aluminium and laminated surfaces</li> <li>3. Soft, rounded carbonate salts cannot bind together to clog drainage systems</li> </ol>
Contains natural herbal additives	<ol style="list-style-type: none"> <li>1. Oils of spearmint and Thyme combine to provide a fresh, fragrant sanitising effect</li> <li>2. All herbal ingredients have documented historic value, not merely added for a 'natural illusion'</li> </ol>
Highly concentrated with surfactant properties	<ol style="list-style-type: none"> <li>1. A little goes a LONG way! Enough to cover a 10-cent piece is all that is needed to remove most contaminations</li> <li>2. Foaming properties help spread the product smoothly and add to cleansing ability</li> </ol>

• 'No scrub' formula • Leaves surfaces sparkling • Phosphate free • Won't scratch surfaces
