## 'Easy Being' Sept 2008 RETAIL e-newsletter

**Greetings...** There is no such thing as being too young to start living sustainably, so this month we thought we'd go back to where it all starts—read on for some great green products for the babies and kids in our lives. *Plus some special new September subscriber deals...spread the word amongst your friends and let them benefit from these too!*

### Green baby & child solutions

Think that cloth nappies involves soaking, boiling, frequent changing and laundry everywhere? Modern cloth nappies are easy to use, super-absorbent, and you can forget all the pre-soaking...adjustable sizes fit all types of babies and the environment will thank you for it...[view some of our great nappy solutions here.](#)

Need a gift idea that won't end up becoming landfill? How about some [OBON recycled paper pencils](#)—fantastic, colourful gifts that come in under \$10—colourful designs, 2B and colour, sure to delight... Or how about some [rainbow pencils](#)?

Thick or thin, made with purpose grown pencil cedar...

Kids love music, and now you can give them the gift of music in the knowledge that you will enjoy it too! [Austral Adrian's](#) environmental album for kids has a great range of songs for the whole family, including plenty of action songs for the kids for the kids to wear themselves out to...start them young with an appreciation
