Green Branding Solutions

Looking for ways your business or organisation can show it is aiming for better sustainable practices?

You can have your company logo and slogan printed on as little as 250 **recycled paper pens** or 500 **recycled plastic rulers**; a simple and useful give-away to impress your customers.

Cornstarch carry bags can be printed with your logo and message; an excellent promotional tool or conference bag (10,000 minimum print run applies).

100% post-consumer recycled presentation folders present the right impression and can be printed on, while our **post-consumer recycled envelopes** will certainly stand out in your clients' mail.

Spring is here and this means festivals and events! This year, why not switch to 100% compostable & biodegradable catering ware for your events and really make a difference? We can supply small & large events with a full range of eat/drink ware and packaging. **Tell us your needs and we will try to meet them.**

Introducing: EATware fibre lunch boxes & lids

- Oil & water resistant
- Certified biodegradable & compostable; FDA approved for food contact
