

Local Hurstbridge Business Going Green Solutions wins Eco-Buy Green Supplier of the Year 2010 Award!

Sean and Lucinda collect their award from Michael Stevin-Bradford, Managing Director, The Sustainability Card.

Congratulations to Lucinda and Sean Flynn from Going Green Solutions for winning the Green Supplier of the Year 2010 award at the annual Eco-Buy Green Purchasing Awards. The award recognized the supplier that has demonstrated excellence in overall quality, cost effectiveness, environmental performance and customer service as voted by Eco-Buy program members. As a supplier of environmentally preferable product alternatives for home, events and workplaces, Going Green Solutions were awarded for their excellent relationships with customers, manufacturers and industry and the effort they have put into sourcing appropriate and reputable products for clients.
